

Welcome to *the catholic community of st. paul*

June 17, 2007 11th Sunday in Ordinary Time

Luke 7:44-50 Then he turned to the woman and said to Simon, "Do you see this woman? When I entered your house, you did not give me water for my feet, but she has bathed them with her tears and wiped them with her hair. You did not give me a kiss, but she has not ceased kissing my feet since the time I entered. You did not anoint my head with oil, but she anointed my feet with ointment. So I tell you, her many sins have been forgiven; hence, she has shown great love. But the one to whom little is forgiven, loves little." He said to her, "Your sins are forgiven." The others at table said to themselves, "Who is this who even forgives sins?" But he said to the woman, "Your faith has saved you; go in peace."

Ministry to The Sick

St. Paul's ever-growing community has an everlasting demand for more Sacramental Ministers to the Sick. These Lay Ministers visit, comfort, and bring Prayer and the Sacrament of Holy Communion to our parishioners who are in the hospital, nursing homes, or home-bound due to advanced age or illness. This special ministry has its roots in antiquity and has always been one of the Church's most important functions. It would cause Our Lord to say, "What you have done to the least of my brethren you have done to me." Should you feel the Lord is urging you to learn more about this ministry, call 728-5652.

Hearing Aid Assistance

Do you have trouble hearing the words at Mass? Do you think the priests talk too softly? Can't hear the song announcements? Many of us have these problems and we are missing out on the beauty of our services. BUT THERE IS A SOLUTION. There are hearing assistance devices in the Usher's Room. These are small FM radios with ear plugs that pick up the sound directly from the sound system. Ask any usher for one when you come to Mass. Use it during Mass and turn it in afterward. You will be surprised and pleased with how well you can hear all that is going on at the service.
